Adam Coates was a mere tenant farmer when he left England for the British Colony of Nova Scotia, but now he is a prosperous and influential landowner. When Madeline steps off the ship with romantic dreams of her long-awaited happily-ever-after, she is shocked and dismayed to discover the truth. Madeline is furious with her father for his treachery, but she has sailed across an ocean to an unfamiliar land and must remain, at

Over the coming weeks, as their friendship deepens and grows, will Adam come to realize that he'd set his heart on the wrong sister all along? Or will it be too late to find the happiness they both desire?
