In light of the real historical evidence that exists, this rebuttal will show how Aslan is violently misrepresenting the truth as he attempts to rewrite history from a purely subjective position without any real validity as he distorts the facts about who Jesus really was.

King not only exposes the many problems with Aslan's claims, but also explores his faulty conclusions along with the erroneous implications about Jesus that he is proclaiming to the world as truth. He will also take a close look at much of what Aslan has to say and show how most of it is simply an elaborate fairytale based on one faulty subjective supposition upon another. Overall, this rebuttal is a defense of the real historical Jesus that Aslan is trying to recreate into the fictitious character of his own imagination. Contrary to Aslan's groundless assertion, the real Jesus of history is the one found in the Gospels and the rest of the New Testament.

Robert Alan King is an ordained minister through Calvary Chapel.
