This engaging summary presents an analysis of *Chronicle of a Death Foretold* by Gabriel García Márquez, an intriguing blend of genres in which the main character's death is announced on the first page. The novella's narrator attempts to reconstruct the events of that tragic day and find out why, even though everybody in the town knew about the impending murder, nobody intervened to stop it. The story's apparent simplicity belies its thematic depth, as it raises profound questions about honour and the lengths people are prepared to go to in order to defend it, the legacy of Spanish colonialism in Colombia, and the nature of truth. Gabriel García Márquez was one of the best-known and most-loved

Latin American writers of the 20th century, with a career spanning over 50 years. He wrote a series of influential novels, including *One Hundred Years of Solitude*, *Love in the Time of Cholera* and *The General in His Labyrinth*, and was awarded the Nobel Prize in Literature in 1982.
