He's watching. She's waiting.

The unmissable new thriller from Darren O'Sullivan, author of Our Little Secret and Close Your Eyes.

Having barely escaped the clutches of a serial killer, Claire Moore has struggled to rebuild her life. After her terrifying encounter with the man the media dubbed The Black-Out Killer, she became an overnight celebrity: a symbol of hope and survival in the face of pure evil. And then the killings stopped.

Now ten years have passed, and Claire remains traumatised by her brush with death. Though she has a loving and supportive family around her, what happened that night

continues to haunt her still.

Just when things are starting to improve, there is a power cut; a house fire; another victim found killed in the same way as before.

The Black-Out Killer is back. And he's coming for Claire...

About the author

Darren O'Sullivan was born in Slough in 1982 but moved to Peterborough when he was 17 to train in performing arts. He has been working creatively ever since, first as an actor for the stage, then director. 5 years ago he felt inspired to write theatre and from that came the idea to develop a novel.

Following being accepted in the Faber and Faber novel writing programme in 2015 he fine tuned his hand and during that 6 month training programme his debut novel *Our Little Secret* was born.

Closer Than You Think download or read online Darren O'Sullivan PDF gratuito per e-book / ePub / Mobi / Mp3 / Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **closer than you think** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your closer than you think so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

closer than you think are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals.
