The Death Guard are the Traitor Legion most favoured by Nurgle. Utterly devoted to spreading the Plague God's hideous diseases across realspace, they are living plague vectors whose bloated bodies and rusted war engines boast grotesque resilience and firepower. They are a walking pestilence, a living plague of destruction and horror. Their heavy tread heralds the end of hope, and the damnation of all who oppose them. Their touch withers all, and spreads seething corruption that swallows worlds. They are the sons of Mortarion, the chosen of Nurgle; fear them, and despair.

Codex: Death Guard contains a wealth of background and rules - the definitive book for Death Guard collectors. Within, you'll find:

Background

- The Wages of Heresy: a detailed history of the Death Guard's descent into absolute filth and corruption, driven into a grotesque damnation by the cold ambition of Mortarion, and a description of their homeworld and their enormous, rotting Plague Fleets;
- The organisation of the Death Guard: a surprisingly organised and coherent Legion, for all the rot and bloat, with 7 Plague Companies at the head of a vast and diverse force;
- The Chronicle of Virulence: a timeline of the Death Guard's ten-thousand-year war of sickness waged against the servants of the false Emperor, with an annotated map showing key war zones;
- Heraldry and colour schemes for a variety of vectoriums and warbands;
- Background and details on each character and unit available to a Death Guard army;
- A showcase of beautifully painted Citadel miniatures, depicting the colour schemes of the Death Guard expertly painted by the 'Eavy Metal team.

Rules

Everything you need to get a Death Guard army primed for games of Warhammer 40,000 is in here:

- 33 datasheets containing rules for every Death Guard unit;
- Army abilities reflecting the Death Guard's methods of war;
- Gifts of the Plague God: wargear both ranged and close-combat used by the Death Guard;
- Points values for all miniatures, weapons and wargear for use in Matched Play games;

Codex: Death Guard download or read online Games Workshop PDF gratuito per e-book / ePub / Mobi / Mp3 / Txt, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **codex: death guard** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your codex: death guard so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

codex: death guard are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with google to browse through the available user guide and find the main one you'll need. On the net, you'll be able to discover the manual that you might want with great ease and simplicity
