Find out whether or not this lively, friendly, playful and cuddly companion canine with the non-shedding silky fur, button nose and dark, expressive eyes will be the perfect choice for you and your family.

Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Maltese's life.

This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the Maltese is the breed for you. If you already have a Maltese, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner.

The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home.

Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together.

Covered in this book:

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the complete owner's manual to maltese dogs. complete manual for care, costs, feeding, grooming, health and training your maltese dog.** are considered unsuitable to get flipped through ten times for just one task.
