It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **explorer's guide north carolina's outer banks (third edition) (explorer's complete)** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.
