*God Save Texas* is a journey through the most controversial state in America. It is a red state, but the cities are blue and among the most diverse in the nation. Texas looks a lot like the America that Donald Trump wants to create.

Bringing together the historical and the contemporary, the political and the personal, Texas native Lawrence Wright gives us a colorful, wide-ranging portrait of a state that not only reflects our country as it is, but as it may become—and

shows how the battle for Texas's soul encompasses us all.
