Perfection!" - Katy Evans, *New York Times* bestselling author

Returning home for her father's wedding was never going to be easy for Adele. If being sent away at eighteen hadn't been bad enough, the mess she left behind when she made a pass at her dad's business partner sure was.

Fifteen years older than her, Pete had been her crush for as long as she could remember. But she'd misread the situation—confusing friendliness for undying love . Awkward. Add her father to the misunderstanding, and Pete was left with a broken nose and a business on the edge of ruin. The man had to be just as glad as everyone else when she left

town.

Seven years later, things are different. Adele is no longer a kid, but a fully grown adult more than capable of getting through the wedding and being polite . But all it takes is seeing him again to bring back those old feelings.

Sometimes first loves are the truest.
