About the Book

Organizing for Success, Second Edition provides simple, remarkably effective time management technique to help readers get two extra productive hours out of every day. The book uses "The Master List" concept to show readers how to budget their time and energy by the day, week, and month.

Readers will learn how to quickly prioritize their goals, complete tasks on time and under budget, and even helps readers plan for the interruptions, urgent emails, and unexpected meetings that will inevitably attack their day. This new edition places heavier emphasis on technology, including advice on how to write, manage and file email more effectively; how to use Lotus Notes and Microsoft Office to

streamline the day; and how to use devices like Blackberries and social media as assets and time-savers, rather than as distractions and time sinks.
