My name is Mercedes Athena Thompson Hauptman, and I am a car mechanic.

And a coyote shapeshifter.

And the mate of the Alpha of the Columbia Basin werewolf pack.

Even so, none of that would have gotten me into trouble if, a few months ago, I hadn't stood upon a bridge and taken responsibility for the safety of the citizens who lived in our territory. It seemed like the thing to do at the time. It should have only involved hunting down killer goblins, zombie goats, and an occasional troll. Instead, our home was viewed as neutral ground, a place where humans would feel safe to come and treat with the fae.

The reality is that nothing and no one is safe. As generals and politicians face off with the Gray Lords of the fae, a storm is coming and her name is Death.

But we are pack, and we have given our word.

We will die to keep it.
