**Integral Consciousness and the Future of Evolution download or read online Steve McIntosh PDF gratuito per e-book / ePub / Mobi / Mp3 / Txt**, This is really two books in one: the first half serves as an accessible and highly readable introduction to the power of integral consciousness, with the second half making a variety of original contributions to the integral perspective and breaking new ground in the application of integral philosophy to politics and spirituality. Moreover, McIntosh provides a much-needed contextualization and critique of the integral worldview's leading author, Ken Wilber, which helps make integral philosophy relevant to a larger audience.

"This is a very thoughtful, informed and readable book. It will be of great interest to anyone interested in the future of civilization, the planet and the universe itself. It demonstrates wide familiarity with the natural sciences, developmental psychology, political thought, philosophy and spiritual traditions. It is the sort of synthesis that we can all profit from

as we face the next century."

—Dr. John Haught, Professor of Theology, Georgetown University, and author of *Deeper Than Darwin*.

"McIntosh makes a signal contribution to the debate on the direction and nature of evolution, one of the most fundamental issues of our time. He frames his ideas in the context of an integral worldview, likewise a critical aspect of the new understanding. His theory merits sustained consideration and development."

— Dr. Ervin Laszlo, Distinguished system scientist, President of the Club of Budapest, and author of over 30 books on evolution.

"McIntosh's book is an educational journey through the fundamentals of integral philosophy and a fascinating exploration of some its most important themes. Carefully researched and tightly argued, this work is an important contribution to a field destined to impact world culture and the direction of human evolution."

—Carter Phipps, Senior Editor, *What Is Enlightenment?*

"Integral consciousness worth learning about? If yes, should I read this book? For me, the short answer to both is 'yes'."
