They turned a series of project spreadsheets and installation manuals into a beautiful puzzle customers could assemble after completing each milestone.

In the "Adopt" stage, customers should be welcomed to the highest tier of tribal membership with both public and private recognitions. For instance, Sephora's VIB Rogue member welcome gift provides a metallic membership card (private recognition) and a members-only shade of lipstick (for public display).

In the final stage, "Advocate," loyal customers and raving fans are primed to provide powerful
