National expert Dr. Joseph Lee explains the nature of youth addiction and treatment, and how families can create a safe and supportive environment for their loved ones during treatment and throughout recovery. Raising a child is tough as it is, but when your kid becomes addicted to alcohol or other drugs, it can feel as if you're living a nightmare. You're not alone. In *Recovering My Kid*, Dr. Joseph Lee, a leading youth addiction specialist, takes worried, confused, and angry parents by the hand and addresses their most pressing questions and fears: What is addiction? What happens when my child returns home from treatment? How can my family support his or her recovery? What if my child relapses? How can my family get well again? Getting your child and your

family well again requires the support and understanding of the whole family, even if feelings and trust were damaged. In his engaging and straightforward style, Lee explains the difficult concepts of addiction, treatment, and recovery in a way parents and families can understand and gives them concrete strategies they can put into practice. This book will help family members begin to understand what their loved one is going through and how they can help the addict adjust to a clean-and-sober life while still taking care of themselves.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **recovering my kid** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your recovering my kid so overwhelming, you are able to go ahead and take instructions or guides in the manual individually.
