From Columbus to George W. Bush (that's a lot of material, people), Leland leads us through American history's mythconceptions, exposing idiocy and inanity along the time line. Move over Colbert and Stewart; satire has finally found its rightful place in American history.

Excerpt from the book:

"John Tyler was on his knees playing marbles when he was informed that Benjamin Harrison had died and he was now president of the United States. At that time marbles was a very popular game for both children and grown-ups."

For reasons still unknown, Texas congressman Thomas Lindsay Blanton, a Presbyterian Sunday school teacher and prohibitionist, inserted dirty words into the Congressional Record in 1921. His colleagues overwhelmingly censured him on October 24, 1921, by a vote of 293-0."
