A must read for any chronic dieter." -Christiane Northrup, MD, New York Times bestselling author of Women's Bodies, Women's Wisdom"

From comedian and ex-diet junkie Caroline Dooner, an inspirational guide that will help you stop dieting, reboot your relationship with food, and regain your personal power

DIETING DOESN'T WORK

Not long term. In fact, our bodies are hardwired against it. But each time our diets fail, instead of considering that maybe our ridiculously low-carb diet is the problem, we wonder what's wrong with us. Why can't we stick to our simple plan of grapefruit and tuna fish??? Why are we so hungry? What is wrong with us??? We berate ourselves for being lazy and

weak, double down on our belief that losing weight is the key to our everlasting happiness, and resolve to do better tomorrow. But it's time we called a spade a spade: Constantly trying to eat the smallest amount possible is a miserable way to live, and it isn't even working. So f**k eating like that.

In *The F*ck It Diet*, Caroline Dooner tackles the inherent flaws of dieting and diet culture, and offers readers a counterintuitively simple path to healing their physical, emotional, and mental relationship with food. What's the secret anti-diet? Eat. Whatever you want. Honor your appetite and listen to your hunger. Trust that your body knows what it is doing. Oh, and don't forget to rest, breathe, and be kind to yourself while you're at it. Once you get yourself out of survival mode, it will become easier and easier to eat what your body really needs—a healthier relationship with food ultimately leads to a healthier you.

An ex-yo-yo dieter herself, Dooner knows how terrifying it can be to break free of the vicious cycle, but with her signature sharp humor and compassion, she shows readers that a sustainable, easy relationship with food is possible.

Irreverent and empowering, *The F*ck It Diet* is call to arms for anyone who feels guilt or pain over food, weight, or their body. It's time to give up the shame and start thriving. Welcome to the F*ck It Diet. Let's Eat.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the f*ck it diet** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your the f*ck it diet so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
