In the greatest intelligence operation in the history of the world, Donald Trump was made President of the United States with the assistance of a foreign power. *The Plot to Destroy Democracy* reveals the dramatic story of how

blackmail, espionage, assassination, and psychological warfare were used by Vladimir Putin and his spy agencies to steal the 2016 U.S. election-and attempted to bring about the fall of NATO, the European Union, and Western democracy.

Career U.S. intelligence officer Malcolm Nance examines how Russia has used cyberwarfare, political propaganda, and manipulation of our perception of reality-and will do so again-to weaponize American news, traditional media, social media, and the workings of the internet to attack and break apart democratic institutions from within, and what we can expect to come should we fail to stop their next attack.

Nance has utilized top secret Russian-sourced political and hybrid warfare strategy documents to demonstrate the master plan to undermine American institutions that has been in effect from the Cold War to the present day. He exposes how Russia has supported the campaigns of right-wing extremists throughout both the U.S. and Europe to leverage an axis of autocracy, and how Putin's agencies have worked since 2010 to bring fringe candidate Donald Trump into elections.

Revelatory, insightful, and shocking, *The Plot to Destroy Democracy* puts a professional spy lens on Putin's plot and unravels it play-by-play. In the end, Nance provides a better understanding of why Putin's efforts are a serious threat to our national security and global alliances-in much more than one election-and a blistering indictment of Putin's puppet, President Donald J. Trump.
