LONGLISTED FOR THE 2018 MAN BOOKER PRIZE

A dystopic feminist revenge fantasy about three sisters on an isolated island, raised to fear men

King has tenderly staked out a territory for his wife and three daughters, Grace, Lia, and Sky. He has lain the barbed wire; he has anchored the buoys in the water; he has marked out a clear message: *Do not enter*. Or viewed from another angle: *Not safe to leave*. Here women are protected from the chaos and violence of men on the mainland. The cult-like rituals and therapies they endure fortify them from the spreading toxicity of a degrading world.

But when their father, the only man they've ever seen, disappears, they retreat further inward until the day two men and a boy wash ashore. Over the span of one blistering hot week, a psychological cat-and-mouse game plays out. Sexual tensions and sibling rivalries flare as the sisters confront the amorphous threat the strangers represent. Can they survive the men?

A haunting, riveting debut about the capacity for violence and the potency of female desire, *The Water Cure* both devastates and astonishes as it reflects our own world back at us.
