## English James Dahle, MD

**The White Coat Investor download or read online James Dahle, MD PDF gratuito per e-book / ePub / Mobi / Mp3 / Txt**, Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection.

This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books.

### **This book will teach you how to:**

Graduate from medical school with as little debt as possible  
Escape from student loans within two to five years of residency graduation  
Purchase the right types and amounts of insurance  
Decide when to buy a house and how much to spend on it  
Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor  
Avoid investments which are designed to be sold, not bought  
Select advisors who give great service and advice at a fair price  
Become a millionaire within five to ten years of residency graduation  
Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes  
Protect your hard-won assets from professional and personal lawsuits  
Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die  
Minimize your tax burden, keeping more of your hard-earned money  
Decide between an employee job and an independent contractor job  
Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation

### **Praise For The White Coat Investor**

"Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - **Allan S. Roth, MBA, CPA, CFP®**, Author of *How a Second Grader Beats Wall Street*

"Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - **William J. Bernstein, MD**, Author of *The Investor's Manifesto* and seven other investing books

"This book should be in every career counselor's office and delivered with every medical degree." - **Rick Van Ness**, Author of *Common Sense Investing*

"The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - **Joe Jones, DO**

"Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - **Dennis**

"An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - **Greg E Wilde, M.D**

### **About the Author**

James M. Dahle, MD, when not out skiing, mountain biking, or rock climbing with his wife and four children, practices emergency medicine in suburban Utah. As a medical resident, he grew tired of being ripped off by unscrupulous financial professionals including mutual fund salesmen, insurance agents, realtors, mortgage lenders, and stock brokers and began educating himself on the ins and outs of personal finance and investing. In 2011, he started *The White Coat Investor*, now the most widely read, physician-specific personal finance and investing blog in the world, with nearly 400,000 page views per month. His writing helps doctors avoid the mistakes he made and get a "fair shake" on Wall Street.

Dr. Dahle is a featured columnist for ACEP Now and Physician's Monthly Digest. His work has also been featured in Medical Economics, Practice Link Magazine, Ophthalmology Business, American Academy of Dermatology Young Physician Focus, and The ACEP Young Physicians Section Newsletter. He also participated in writing *The Bogleheads Guide to Retirement Planning*.

Dr. Dahle has found the light at the end of the long, dark tunnel of medical training. Despite ever-increasing medical student debt burdens, decreasing reimbursements, and increasing regulatory hassle, he became a millionaire at age 38, just ten years after graduating from medical school. He achieved this success not with burnout-inducing levels of hard work nor long periods of financial deprivation, but rather with solid financial decision-making and a prudent financial approach to the first few years out of residency.

Now he shares his wisdom with medical students, residents, physicians, dentists and similar high income professionals so they can free themselves from debt, quit worrying about money, build wealth, live "the good life," and get back to practicing medicine on their own terms. The principles he espouses are neither complicated nor risky, but the process of becoming wealthy as a physician is by no means automatic.

## English James Dahle, MD

**The White Coat Investor download or read online James Dahle, MD PDF gratuito per e-book / ePub / Mobi / Mp3 / Txt**, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the white coat investor** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your the white coat investor so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

the white coat investor are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with google to browse through the available user guide and find the main one you'll need. On the net, you'll be able to discover the manual that you might want with great ease and simplicity
