A "wave of automation and job loss" is currently taking over American industries. Experts in robotics, automation, artificial intelligence, and software have warned that job losses will continue to happen in the coming years. "Normal people," who represent the 70 percent of the American population, will be most affected. The market economy demands efficiency and this does not favor normal people. A rising number of people are disabled and suffer mood disorders because people without jobs often end up in despair. Entrepreneur and economist Andrew Yang propose visionary solutions. The War on Normal People is hailed by Arianna Huffington for presenting "a roadmap to a better future."

A Brief Look Inside:

EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on.

Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on.

These questions can be used to create hours of conversation:

- **Foster** a deeper understanding of the book
- **Promote** an atmosphere of discussion for groups
- **Assist** in the study of the book, either individually or corporately
- **Explore** unseen realms of the book as never seen before
